To: Grapevine Business Community, Citizens and Leadership of Grapevine

Allow me to introduce Kevin Haislip/Great Collections Publications and his colleagues to you. He is working in collaboration with Grapevine Convention and Visitors Bureau to produce a coffee table book on Grapevine with a working title, "Life in Grapevine." This project will take approximately one year to produce.

He has both Mayor William D. Tate's and the CVB's endorsement on this project.

This book will greatly enhance our community's promotional efforts and give us an additional publication to send to business associates, friends, family and as a souvenir for visitors. It will be a slice of life book about who we are and the built infrastructure of Grapevine.

Mr. Haislip is looking for excellent photography, articles and historical perspectives. He will need admission into our events and venues as well as, advertisers and financial support. Please give Mr. Haislip/Great Collections Publications whatever assistance you can in his efforts to produce this book.

If you have any questions, please feel free to call my office 817-410-3185.

Thank you,

Paul W. McCallum
Executive Director
