**SUBJECT: PICTURE PERFECT WAXAHACHIE**

Dear M. Haislip:

Your beautiful *PICTURE PERFECT WAXAHACHIE* publication has received rave reviews...a real collectible and has become an indispensable piece that we use at the Waxahachie Chamber of Commerce.

The book is presented to dignitaries who visit the city; we use the book in gift baskets and auctions around the entire State of Texas; it has been placed in the rest area of our Midway Airport. The Director of Convention & Visitors Bureau takes copies of the book with her when attending the Texas Travel Counselor's Industrial Fair. We have had numerous requests for the book throughout the years and know that merchants who stock the book receive a nice return – orders prove this.

Congratulations on a beautiful publication!

Sincerely,

Debra Wakeland
